Decision of the Municipality of Almada: Creation of AGENEAL

In 1998, the Municipality of Almada decided to create a Local Energy Agency: J1

- Joint proposal with the Municipality of Modena, Italy, to the SAVE II Program

- Local Energy Agencies of Almada and Modena (3 year co-financing)

- 16 stakeholders

OBJECTIVES:

- Foster the rational use of energy and promote energy efficiency in Almada

- Involve and commit local actors to this common goal – Local forum for energy efficiency

Agência Municipal de Energia de Almada

J1 hipotese fazer departamento interno ou criar agencia virada para o xterior
